

NCPCA

North College Park Citizens Association

Working Together To Improve Our Community

What is the purpose of NCPCA?

To promote the civic, community and general welfare of the North College Park community. NCPCA is non-partisan, non-political and non-sectarian.

Where is North College Park?

The area north of Greenbelt Road and east of Paint Branch Creek, within the boundaries of the City of College Park.

What issues does NCPCA address?

Anything of concern to us: code enforcement, parking, speeding, trash pick-up, City services, zoning, land use, recreation, transportation.

When and where are the meetings?

On the 2nd Thursday of each month (except July&August) at 7:30 pm at Davis Hall, located at 9217 51st Avenue. A notice with overview of the next agenda is mailed to members before the meeting, sent to NCPCA's email list, and often printed in the local newspaper.

What are the benefits of membership?

We're one of the largest civic groups in our City, and many City councilmembers and officials attend our meetings. Your dues help support an independent citizen-oriented group that works for our community.

What are the annual dues?

Only \$10 per address, which helps defray the cost of copying minutes, mailing notices, and supporting NCPCA and community activities.
